To Whom It May Concern:

With this letter I would like to express my support for Lisa Martinez and her project called "the greenhouse for women." She has met with me and explained her philosophy and vision for an outreach to women solidly based in the Catholic tradition.

The inspiration behind this ministry is St. John Paul II and his teaching on the dignity and vocation of women. Lisa hopes to build a center that will be a place for women to be strengthened, encouraged, and educated about the gifts God has given them to transform our culture for Christ.

I understand that a center such as this would be the first of its kind anywhere. This groundbreaking endeavor would welcome your support, and I hope that you will prayerfully consider helping, firstly by your prayers and also by your financial gift.

I believe this ministry has the potential to benefit the Catholic community in West Texas. Thank you for your assistance and prayers in this regard.

In the joy of Christ's service,
